

Do you need finance
for **vehicles**, **plant** or **machinery**?

Negotiate better pricing like a “Cash Buyer” by pre-arranging your finance before you go shopping!

Get your finance approved NOW by speaking to **Anton Hearn or Neville Hearn** at LendCorp.

We are your highly experienced finance experts who can obtain your loan pre-approval without all the drama of YOU having to deal with the Banks and Finance Companies.

For over 26 years we have helped thousands of people, like you, to obtain finance to purchase the business vehicles or equipment that they need. You will greatly benefit by using LendCorp as we aim to simplify the steps involved when you need to arrange finance.

These days finance is a specialist field and you owe it to yourself to deal with true professionals in the industry. Getting the right finance deal is every bit as demanding as finding the right motor vehicles, plant or equipment.

Anton Hearn (M) 0418 254 229
24 Yrs in Lending

We are the experts that you need to assess and custom build a highly competitive finance package to suit your exact needs.

After more than a quarter of a century in business lending, you can rely on us, to know exactly which lenders will consider and approve your financing proposal. Our role is to prepare and submit a complete finance application in the lenders preferred format together with all the supporting documents. As we receive a commission from lenders only on settled loans, it is in our interest to work harder for you, to ensure the successful financing of your new purchase. Our commitment to service is totally geared to you as our customer. We are readily available for an obligation free discussion about your financing needs.
